7. Please provide any comments you have as an employer regarding your employees who are NNMC graduates.

- We received your 2010 Employer Satisfaction Survey form a couple of weeks ago and we cannot answer your survey effectively as many of the questions do not apply to our agency. We have not hired Northern NM College graduates. However, many of our early childhood teachers in our therapeutic preschool are in the process of receiving their degree through NNMC. We also have taken interns from NNMC and have found them to be very independent and interested in our services. Sorry we cannot be of more help however, if you have any other questions, you may contact HR at 753-4123.
- Calls placed to head of (Interim) college were never returned. The Staff/faculty in Teacher Prep was often extremely rude! Sorry . . . you can change what you feel you need to change based on your responses.
