**WATCH OUT WASHINGTON… HERE WE COME!!!**

*A message from the American Indian Student Organization*

The American Indian Student Organization is on the home stretch in accomplishing their goal to attend the NAISA Conference in Washington DC, in June 2015. We genuinely thank everyone for the support that you have given us so far in attaining this goal. This endeavor would be impossible without your generosity and support, and we thank you for it all.

We still have one month to raise funds for this dream of ours. We appreciate any donation, ideas, or help that you may have to offer. This newsletter highlights some of our final fundraisers, please continue to support us in any way that you think would be helpful.

Again, thank you from the bottom of our hearts. We hope to see you soon!

Española, NM - The Governor’s Office has announced the appointment of Melinda DeHerrera to fill the position of student regent at Northern New Mexico University.

DeHerrera is pursuing a bachelor’s in Information Engineering Technology and is a mother of five. She is an Española native and has been a member of the Northern community for the past 18 years.

"I am very honored to be appointed the first Student Regent at Northern New Mexico University," DeHerrera said. "I will take this position very seriously and I promise to be an advocate and a voice for the student body."

Pending confirmation by the New Mexico Senate, DeHerrera would begin her term immediately and be seated until December 2016.

New Mexico voters passed Amendment 2 last November amending the State constitution to allow Northern to seat a voting student regent. Regent-designate Damian Martinez is also awaiting Senate confirmation.

Native Student Travel Fund!!!
Help AISO in their goal to attend the Native American & Indigenous Studies Association Conference in DC

The American Indian Student Organization (A.I.S.O.) is based out of the American Indian Center at Northern New Mexico University (formerly Northern New Mexico College). A.I.S.O. is an active student organization whose mission is to increase representation of American Indian students at Northern by creating an academic support network through culturally relevant activities that foster unity and celebrate tribal traditions. Our student organization has been actively involved with sponsoring lectures and cultural activities that are geared toward sharing our American Indian perspectives. Our AISO students come from a variety of tribes with majors in areas such as Education, Business and Pueblo Indian Studies.

We are raising funds to support student travel to attend the Native American and Indigenous Studies Association conference to be held at the National Museum of the American Indian in Washington D.C. in June 2015. This travel experience will provide our students to visit one of the world’s most unique museums and diverse collections of its kind. We are excited to have the opportunity to attend the NAISA conference to learn more about the histories and cultures of indigenous peoples.

Many of our students have never had the opportunity to travel outside New Mexico. We value the opportunity to learn about our nation’s history and participate in an international academic conference.

Thank you for supporting the opportunity to continue our educational pathways. Any amount helps to meet our travel costs and your donation is greatly appreciated!
