Comments or suggestions:

- A little more explanation about different degrees would be helpful.
- Faster computers! Better access to Internet (9)
- Automotive (3)
- Forensics (2)
- Should have some employment studies for future postmasters. Didn't see any classes for postal office services. (2)
- Could they have clothes designing classes and photography classes?
- Dance would be a major for me right now as I am a dancer. I practice many dances, but preferably do break dance/hip-hop.
- Diesel Mechanics
- Have more online classes.
- I suggest that there should be options on being a brain surgeon.
- I would like to attend NNMC.
- I would like to take other kinds of classes....
- I would love music classes in our school district!
- If you want to do dual enrollment classes, please inform the students if it will transfer to other universities or colleges. Make sure there is a supervised adult in the room of an ITV class so that the students do their work
- I'm really into law and I want to become a lawyer or a paralegal!
- Mainly love the music and art, also cooking classes.
- More IT courses.
- Music classes.

- Need financial information.
- Need more welding...
- Better and more classes offered to us.
- Should have Guitar and Music classes!
- This was a very interesting survey! I think it will help me choose what to be in my life.
- This was very interesting I didn't know how many things I could become.
- We need more engaging & interesting things to do at our school. We need different curriculums.
- We need more interesting things to do at our school and more extra-curriculum things to do.
- Well, I just wanted to say that I hope I passed it and yeah.
- What if we don't enroll for college, or even don't make it in high school?
- Why ask all these questions, when we are not ready.
- You guys offer very interesting classes!
- You need to go to school.
- You should have more criminal justice courses.
