NORTHERN New Mexico College

A small community, a world of experience.
Discover a unique college in the Española valley. **NORTHERN New Mexico College**—an accessible, diverse and supportive community.

**NORTHERN IS FOUNDED IN EL RITO**

Three years before New Mexico becomes a state, Northern is established as the Spanish American Normal School in El Rito. Its constitutional charter to train teachers to serve the indigenous population of northern New Mexico makes Northern the first Hispanic-serving institution in the U.S.

**1930s NORTHERN: A NEW HIGH SCHOOL**

The “El Cambio” mural (“The Exchange”) in the South Dorm shows a shepherd bringing his flock to campus. Sheep were a common method of payment at the time, for student tuition, room and board.

**1946–1969 EL RITO NORMAL STATE SCHOOL**

Northern serves students from elementary through high school and begins offering technical education. The school boasts of an orchestra (“Orquesta Típica”), a newspaper (El Aguila), and competitive sports, including baseball and boys & girls basketball.
In 2004 Northern begins offering a baccalaureate program in Elementary Education. In 2005, Northern expands its mission from a 2-year to a 4-year college, and begins granting bachelor’s degrees.

Northern offers 13 bachelor’s degrees, 50+ associates and certificates, and two post-baccalaureate programs. Through college partnerships, Northern recognizes its first master’s degree students in Education, and is developing two new Education MAs and a PhD program.

Northern opens its Española campus in 1971, expanding its mission to include technical vocational programs. In 1977, Northern becomes Northern New Mexico Community College, the first designated community college in the state and begins granting associate degrees and certificates.

1971–1977 EXPANSION TO ESPÁNOLA
Northern opens its Española campus in 1971, expanding its mission to include technical vocational programs. In 1977, Northern becomes Northern New Mexico Community College, the first designated community college in the state and begins granting associate degrees and certificates. 

2004 NORTHERN BECOMES A 4-YEAR COLLEGE
In 2004 Northern begins offering a baccalaureate program in Elementary Education. In 2005, Northern expands its mission from a 2-year to a 4-year college, and begins granting bachelor’s degrees.

2015 NORTHERN NEW MEXICO COLLEGE
Northern offers 13 bachelor’s degrees, 50+ associates and certificates, and two post-baccalaureate programs. Through college partnerships, Northern recognizes its first master’s degree students in Education, and is developing two new Education MAs and a PhD program.

Cosmetology (Cert., AAS)
Electrical Technology (Cert., AAS)
Viticulture and Enology (Cert., AAS)

POST-BACCALAUREATE PROGRAMS
Certificate in Information Engineering Technology
Alternative Licensure in Elementary (K-8), Secondary (9-12) and Special Education (K-12)
Endorsements in TESOL, Bilingual Education, and Humanities
Educational Leadership (MA)

“Being a student at Northern has truly been a time of exploration and discovery. Not only is it affordable and close to home, it is home. This is the right place for me to continue my education and one day graduate.”
—Maria Orozco, Biology major
@Northern, culture & heritage arts are part of a living history...blending the rich traditions of Spanish and Native-American arts and modern art influences, with a unique mix of students and community artists in the classroom.

Explore our for-credit and continuing education programs, and special community rates for the arts:

- Bultos & Retablos
- Flamenco Dance
- Micaceous Pottery
- Music
- Rio Grande Style Weaving
- Southwest Heritage Arts
- Spanish Colonial Woodcarving
- Tinsmithing
Science, Technology, Engineering, Math and Health. STEM programs @Northern are hands-on from day one!

With modern labs managed by Northern faculty, and the extraordinary natural laboratories of northern New Mexico, our students enjoy a unique learning environment.

“The work I do in the lab is equivalent to research performed by graduate students. Our professors motivate us to raise academic standards among our classmates and to compete against students from larger schools.” —Lisa Salazar, Biology Student
