

## DEPARTMENT OF NURSING

Northern New Mexico College's Department of Nursing offers two associate degrees in Nursing (ADN), a certificate in Practical Nursing (PN), and an RN to BSN (Completion Program) at the baccalaureate level.

Formal application and acceptance into the Nursing program is required before students enroll in any NURS-prefixed course listed in the program requirements with the exception of NURS 100 and NURS 100L. Support courses may be taken before entry into the program or during the course of nursing studies.

If you are interested in the Nursing program, please contact the Director of Nursing (505-747-2207) for information, advisement, and an application packet.

---

### Associate Degree in Nursing Program PROGRESSION OF NURSING STUDIES

1. Upon successful **completion of the first year of nursing studies (Level I)** students can progress directly into **Level II** nursing courses.
2. Successful **Level I** nursing students are offered the **option** of enrollment in additional coursework (NURS 119) required for **practical nurse (PN)** candidacy status.
3. Upon successful completion of the optional **PN** course work students are awarded a **Certificate of Practical Nursing** and are eligible to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN).
4. Upon successful **completion of the two year course of nursing studies (Level II)**, graduates of the nursing program are awarded an **Associate Degree in Nursing (ADN)** and are eligible to take the National Council Licensure Examination for Registered Nursing (NCLEX- RN).
5. Licensed Practical/Vocational Nurses (LPN/LVN) who are graduates of state approved programs of practical nursing may be **admitted directly into Level II of the Nursing program based on individual assessment of transcripts.**

---

### PROGRAM POLICIES

Qualified nursing student candidates are accepted into the Nursing program on a **tentative basis** pending completion of the following requirements:

1. If accepted into the Nursing program, proof of **current immunization status** as outlined in the application packet as well as proof of current **CPR (American Heart Association, Basic Life Support)** must be provided to nursing administration on or before August 1<sup>st</sup> to ensure student placement. Failure to comply with this regulation will result in forfeiture of the student slot.
2. If the nursing student candidate is completing required course work during the summer semester it is the candidate's responsibility to **provide nursing administration with summer course work transcripts** (grades of a "C" or better are required along with a cumulative GPA of 2.5) as soon as possible. Failure to comply with this regulation will result in forfeiture of the student slot.
3. Upon acceptance into the Nursing Program nursing students are required to obtain a **criminal background check to include fingerprinting and drug screens.**

Students can have **no disqualifying criminal convictions** as determined by the New Mexico Department of Public Health *Caregivers Criminal History Screening Program.*

4. If the New Mexico Department of Public Health determines a student has a disqualifying criminal conviction the student will be notified of the decision by the NM Department of Public Health Review Board. The student then has the option of **petitioning** said board for **reconsideration**. During the reconsideration process, the review board must determine the student **forgiven of a past criminal record** for the student to be allowed to participate in the Nursing program course of studies. Failure to be forgiven will result in forfeiture of the student slot.

5. Nursing students must test **negative** on mandatory drug screening. Failure to test negative will result in a review of drug screening results by a private testing entity. **The student will be responsible for the expenses incurred in this additional screening process.** The private testing company will determine the final student drug screening status.

Once accepted into the program, students **must maintain a grade of “C” or better in each required course in order to remain in the program.** A grade of “D” or below is not acceptable in the Nursing program. The grading scale for the Nursing program is as follows:

100 – 93 = A    92 – 85 = B    84 – 77 = C    76 – 69 = D    Lower than 68 = F

Once accepted into the Nursing program, it is the professional responsibility of all nursing students to maintain a **current immunization and CPR status.**

Please refer to the Northern New Mexico College Nursing Education Program Student Handbook for additional policies and information.

The NM State Board of Nursing may deny, revoke, or suspend any license upon grounds that the licensee or applicant violates any of the following actions: is guilty of fraud or deceit in attempting to procure a license; is unfit or incompetent; has been convicted of a felony; is habitually intemperate, is addicted to habit-forming drugs, or is mentally incompetent. **Please consider this before applying to this program.**

### Prerequisites for Admission Consideration

1. High School or GED diploma.
2. Cumulative GPA of **2.50** or higher
3. Completion of the following course work with a minimum grade of “C”.
  - ENG 111      English Composition I (3)
  - BIOL 210/L    Microbiology with Lab (4)
  - BIOL 237/L    Human Anatomy and Physiology I with Lab (4) (within the last 5 years)
  - BIOL 238/L    Human Anatomy and Physiology II with Lab (4) (within the last 5 years)
  - HSCI 204      Nutrition (3)
  - PSY 105      General Psychology (3)
  - PSY 290      Developmental Psychology (3)
  - NURS 100/L    Nurse Aide with Lab (5)

A state-recognized Nurses’ Assistant (Aide) Certificate will be accepted in lieu of NURS 100/L.

TOTAL CREDIT HOURS    29

4. Test of Essential Academic Skills (TEAS) taken within the last two years with a minimum score in the 50<sup>th</sup> national percentile.

### **Certificate PRACTICAL NURSE**

Students who complete the pre-requisites and Level I coursework for the Associate of Applied Science in Nursing and NURS 119/Role Transition-PN have the option to petition for the Certificate in Practical Nursing. Students may exit the program at this time or continue to Year II/Level II General Education.

**Associate of Science  
NURSING (ADN)**

This degree is designed as an alternative to the Associate of Applied Science degree in Nursing to allow students to more closely meet the baccalaureate requirements of colleges of nursing, such as that at Northern, while completing their requirements to apply for state licensure as an RN. Upon completion of this program you will be eligible to take the National Council Licensure Examination for Registered Nursing (NCLEX-RN). After completion, you may continue to a baccalaureate degree in Nursing (BSN) program.
