

Associate of Arts BUSINESS ADMINISTRATION (AABA)

The NNMC BA Department offers an ACBSP accredited Associate of Arts in Business Administration (AABA) degree that is a terminal degree for those graduates who intend to enter the workplace with a sound fundamental knowledge of economics and accounting and who have mastered basic skills in business technology, marketing, and management. The AABA is a transfer degree program, which can lead to a baccalaureate (BBA) in two additional years of full-time study in the NNMC BA Department.
