

Associate of Arts GENERAL STUDIES

This program, which allows you to take courses for personal growth or for transfer to a four-year program, allows a great deal of flexibility in choosing courses. You can work with an advisor to put together a degree major not offered by Northern, thus establishing a solid foundation of courses to prepare you for a baccalaureate program.

GENERAL EDUCATION (35 CRS) SEE PAGES 24–27

Health, Physical Education & Recreation (2 Crs)
