BACHELOR OF ARTS INTEGRATED STUDIES IN THE HUMANITIES AND SOCIAL SCIENCES: EMPHASIS PSYCHOLOGY

This degree will prepare students for many careers that require reliable and flexible thinking and communication, such as in local and state government, public service, and managerial careers. It will also provide a solid basis for those wishing to pursue advanced degrees in various fields, including psychology, law, and cultural anthropology. This is an academic degree that seeks to provide not only the skills and knowledge promised by a liberal arts education but also the encouragement that will allow students to use the skills and knowledge to become effective and inspired leaders.
