The calendar is available on the Student Life website and will be emailed to new committee member, Lanaye Suazo.

III. **Eagle Email Campaign**

Amy suggested that we sponsor a campaign during the first two weeks of the upcoming fall semester to ensure students are using their Eagle Email address. If students stop by the Eagle Tech Desk at the library and show the Eagle Techs that they have their Eagle Email connected to the Gmail app on their phone, then they will get a Welcome Week 2018 t-shirt. Richard will begin working with Sandy to get a new t-shirt designed. Student

CELEBRATING THE WHOLE STUDENT

Life will commit \$1,000 toward the purchase of t-shirts.

#### **IV. New Student Orientation**

Student Life will commit to a budget of \$500 for the New Student Orientation BBQ that will take place on Wednesday, August 15th. The BBQ will take place outside the Eagle Gym at around 12:00 p.m. Menu includes: hamburgers, veggie burgers, hot dogs, chips, sodas, water and cake. We will create PRs on July 1 and hopefully get an estimate of how many people we will feed that day.

#### **V. Student Senate Orientation/ Inauguration**

In late July we will host a Student Senate Orientation for the incoming Senate. We would like to host this off campus and invite previous Senators to speak to the new Senate. We will discuss how to run a meeting, and the expectations and responsibilities of Student Senate. We will look to Dr. T and Dr. X for availability to schedule a date that works for them. Then we will create an agenda for the event.

Student Senate inauguration will take place during the Welcome Back BBQ. We are considering inviting a judge to help swear the senators into office.
