Time: 12:00 p.m.
Location: Student Senate Office
Attendees: Richard Sedillo, Amy Ortiz, Twila Casias

Agenda Items

- I. **Recap of Summer Social Activities (enter information into co-curricular inventory form). Do we want to continue these activities throughout the summer? Benefits?**
We decided to go ahead and continue our weekly Summer Social events through the end of the summer semester. We have enough popcorn and snow cone ingredients to last us through 4 more weeks. **Our next event will take place Tuesday, July 3, 2018 from 4 p.m.-6 p.m. at the Library Café.**
- II. **Website update**
The agendas and minutes are now available on the Student Life website.
- III. **Order t-shirts for Welcome Back Week and Eagle Email Campaign**
Sandy Krolick was not able to come up with a design for our 2018 Welcome Back t-shirts. She will work on something and hopefully present a couple of choices at our next meeting. We need to order ASAP since New Student Orientation helpers would like shirts.
- IV. **Student Senate orientation**
We will host a BBQ and music for New Student Orientation outside the gym. **Rich will reserve the space outside of the gym.**
