The ENLACE (Engaging Latino Communities for Education) Collaborative partners with students, teachers, administrators, and parents to:

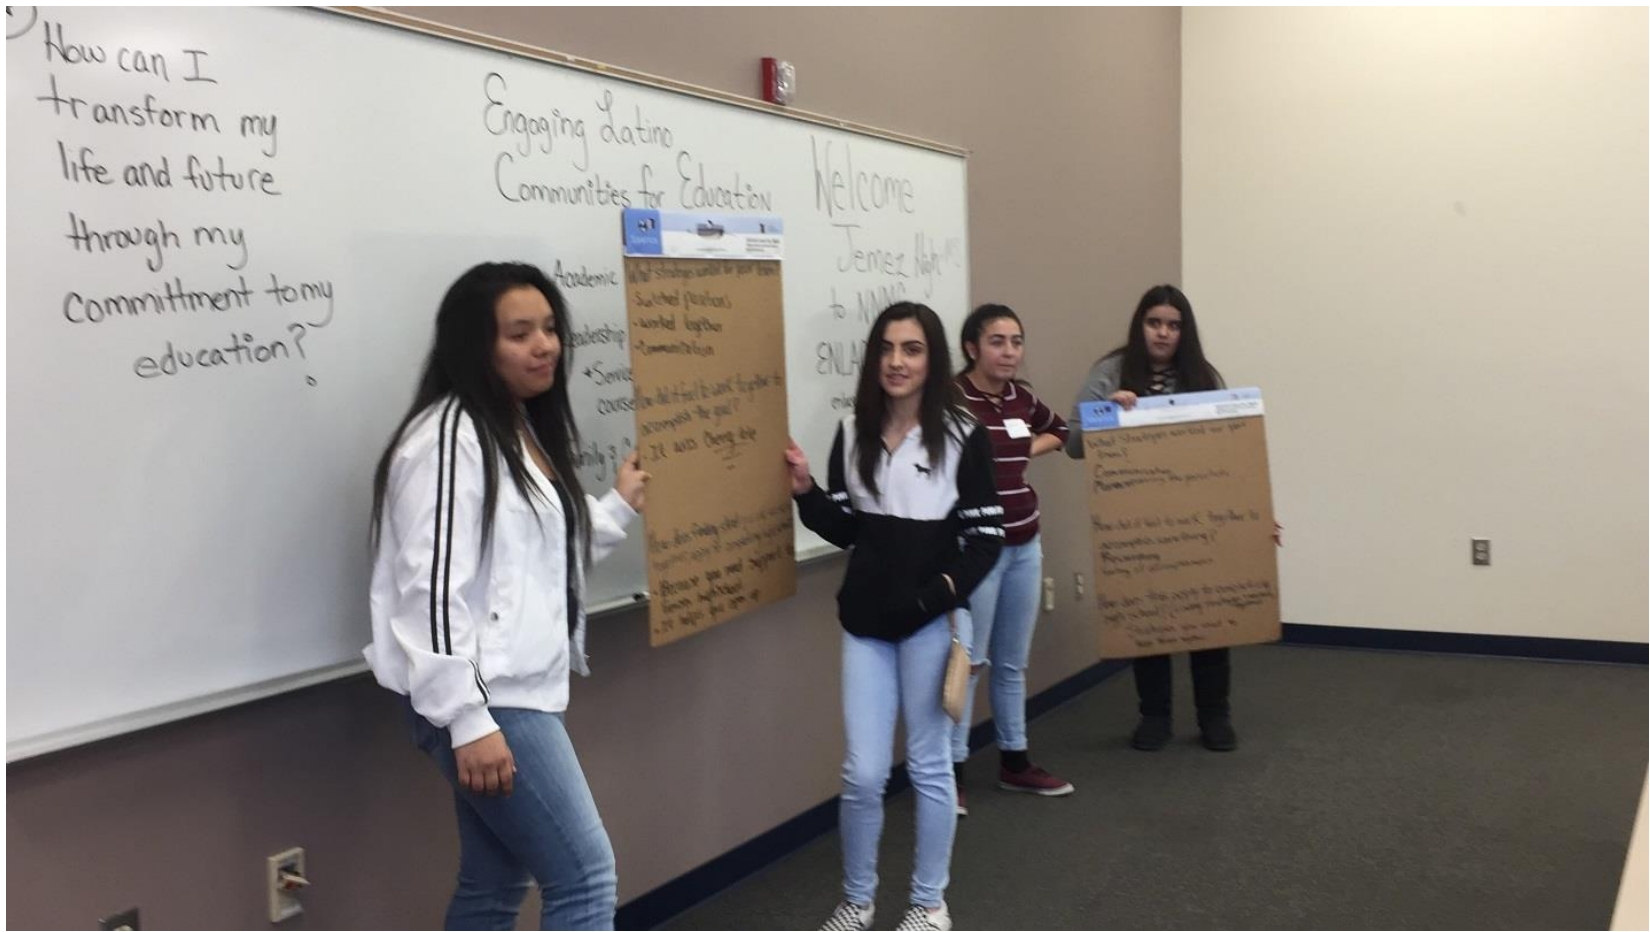

- Increase the **academic achievement** and **college readiness** for students who are first from their family to pursue college
- Increase **high school graduation rates** and enrollment in college
- Engage students and parents in **Service Leadership** and increase their knowledge of post-secondary education options and financial aid
- Develop students as community **leaders and facilitators**

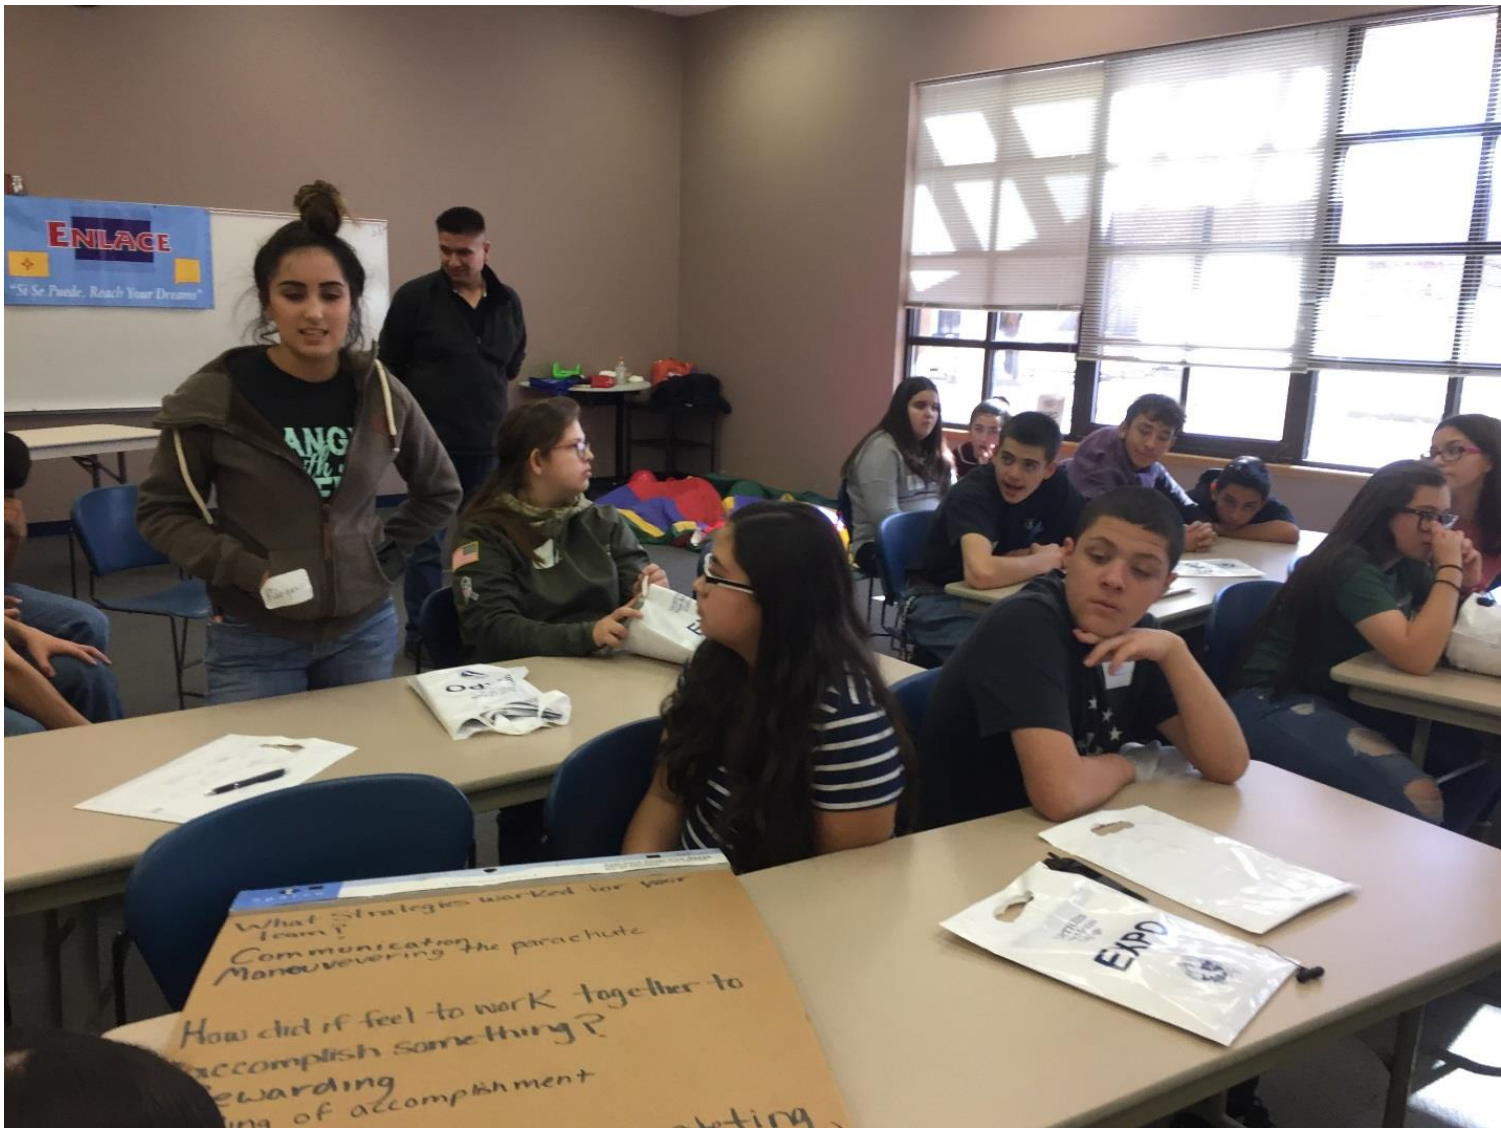

How can I transform my life and future through my commitment to my education?

Academic Leadership
- Switched positions
- worked together
- communication
- Service courses
- did not feel alone together to accomplish the goal?
- It was challenging
- How do they feel about the experience?
- How do they feel about the experience?
- How do they feel about the experience?
- How do they feel about the experience?
