Northern New Mexico College offers a Bachelor’s degree in Early Childhood Education Non Licensure track. This program does not meet the NMPED requirements for licensure in Early Childhood. This track prepares candidates to work with young students in diverse educational settings from age 3 to Grade 3 in settings which do not require a teaching license. The degree prepares individuals to provide high-quality care and education to young children through experiential learning and developmentally appropriate practices.

Note: Advising faculty should initial and date. Place copy in student file and a copy to student.
