<p><b>RN to BSN BACCALAUREATE NURSING PROGRAM</b></p> <p>The RN to BSN Nursing Program is designed for and limited to individuals who are licensed as registered nurses (RN) in the United States. This Program is designed to articulate with many two-year Associate Degree Nursing (ADN) programs. The RN to BSN Program prepares registered nurses to assume leadership roles as an integral nurse at the bedside, within an organization, in the community, and in the profession. The Program provides a unique and innovative nursing curriculum that is based upon the <i>Theory of Integral Nursing</i>. Through its integrative care focus, this Program prepares nurses to provide holistic, intentional, relationship-centered care that addresses individual and collective health.</p> <p>The Program requires 120-122 credit hours for graduation. Forty credits of lower-division courses, to include nursing courses from an Associate Degree in Nursing program, may be applied toward the BSN degree. Students must then complete a total of forty credits of upper-division courses: 32 nursing credits and 8 elective credits with a Nursing (NURS) prefix, Integrative Health Studies (IHS) prefix, or other approved upper division course(s).</p>
