MAY 2 & 16, 2019

Thursdays | 5:30-7:30pm | $135 (INCL. SUPPLIES)
LOCATION TBD

Join Dr. Wes Colgan, an award-winning biology teacher and home-brewer, to discuss the history, biology, and chemistry of the world’s favorite adult beverage. Learn about the brewing process from the grain to the microbes necessary for fermentation, through the physics of the carbonation process. Students are welcome, however they must be 21 years old to consume alcoholic beverages. For questions please contact Dr. Colgan at wes.colgan@nnmc.edu
