

2019-2020 Dependent Verification

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In order to continue processing your financial aid, we need to gather additional information about you and your parent(s) as required by the U.S. Department of Education (34 CFR, Part 668).

To verify that accurate information was provided on your application, we will compare your FAFSA with the information on this document and with any other required documents. Northern New Mexico College reserves the right to make all necessary changes to your Student Aid Report.

If you have questions about the verification process, please contact the Financial Aid Office at (505) 747-2128 or finaid@nnmc.edu. Failure to complete the verification process will result in a delay of financial aid processing or possible loss of eligibility. **You and your parent(s) must complete and submit this Verification Form and any additional documentation requested, before your financial aid will be processed.**
