NNMC Student Life Survey 2017

Student Life is a committee that supports and organizes student events and activities. They work closely with Student Senate and student clubs to ensure that student activity fees are spent effectively and enhance the whole student experience at Northern New Mexico College.

Students (163) completed a survey via google forms to provide feedback that will inform Student Life, Student Senate, and the college community to maintain successful co-curricular activities or identify new activities based on the students’ needs and interests.
