

ACBSP ACCREDITATION COUNCIL FOR BUSINESS SCHOOLS & PROGRAMS

July 24, 2019

Dr. Lori Baca, Dean
Northern New Mexico College
921 Paseo de Oate
Española, NM 87532

Dear Dr. Baca:

The Baccalaureate/Graduate Degree Board of Commissioners met on April 27, 2019 and reviewed your Status Report on Notes and Conditions. After review, the Board voted to accept the report with no notes, conditions, or opportunities for improvement, removing the Condition on Standard 3 and the Note on Standard 4. The Board provided the following comments:

Remove the Note on Standard 3: The program has provided numerous files to serve as evidence that expectations of students and stakeholders are identified. We look forward to seeing more results of these processes in future reports. Make certain that student learning assessment results are not included in Standard 3, as these are for Standard 4.

Remove the Note on Standard 4: The business unit has verified that the assessment process has been fully deployed, including several data points to analyze programs.

Your Full Quality Assurance Report will be due 2/15/2023 and your reaffirmation is scheduled for 2025. Please contact Dr. Freda Hartman at (602) 321-8564, or by e-mail at fhartman3@cox.net with any questions or concerns.

ACBSP is looking forward to our continued relationship with Northern New Mexico University. Thank you for providing quality business programs for your students. We are happy to have you as one of our valued members.

Sincerely,
