ALTERNATIVE LICENSURE PROGRAM (CERTIFICATE ELEMENTARY EDUCATION, SECONDARY, SPECIAL EDUCATION)

The College of Education is accredited by the New Mexico Public Education Department, These programs of study lead to teacher licensure for individuals who already hold a degree (bachelor's, master's, or doctorate) from a regionally accredited college or university. Teacher candidates can choose from one of the following courses of study:

Elementary Education (K-8th grades) work in diverse educational settings in grades kindergarten through eight.

Secondary Education (7th-12th grades) work in diverse educational settings in grades seven through twelve.

Special Education (K-12th grades) work with students with special needs and acquire strategies that are effective for all learners in grades kindergarten through twelve.

Note: Advising faculty should initial and date. Place copy in student file and a copy to student.
