**Late Work:** Your work is due on the date indicated on the syllabus. Any exceptions are at the discretion of the professor and must be agreed to in advance.

**Students with Disabilities:** Northern New Mexico College recognizes its responsibility for creating an institutional climate in which students with disabilities can succeed. In accordance with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act; if you have a documented disability, you may request accommodations to obtain equal access and to promote your learning in this class. Please contact Verna Trujillo, Coordinator of Accessibility and Resource Center at 505-7472152 or [v.trujillo@nmmc.edu](mailto:v.trujillo@nmmc.edu)

to inquire about appropriate accommodations. After your eligibility is determined, you will be given a letter, which when presented to instructors, will help us know best how to assist you.

**NNMC Incomplete Policy:** The grade of 'I' is given for course work that could not be completed due to circumstances beyond the student's control. This means a serious illness or accident, not poor planning. If a significant crisis prevents your timely completion of **that small portion of the requirements still lacking** for this course, please make an appointment with your instructor. Once an Incomplete is given, it is the STUDENT'S responsibility to complete the work according to the parameters of the deadline. If you do not complete your work, the 'I' automatically becomes an 'F' when the deadline passes.

**Academic Ethics:** Dishonesty in connection with tests, quizzes, or coursework assignments may be cause for dismissal from the College. Plagiarism is the most common type of academic dishonesty. Plagiarism consists of any representation of another person's work as one's own without proper acknowledgment. Examples include but are limited to 1) submitting as one's work a paper which includes a part copied from a book or article without identifying the quote selection and/or sources, 2) presenting an author's ideas as though they were your own original ideas, or 3) using work by another student with your name as the author. When an instructor suspects a student of academic dishonesty, the instructor will bring it to the student's attention. If the problem is not resolved to the instructor's satisfaction, the incident will be reported to the Dean for follow-up action.

Students are responsible for referring to the Student Handbook for specific policies and procedures.
