

NORTHERN NEW MEXICO COLLEGE

Course Number Course Name	ENVS 4480 Senior Capstone
Credit Value (Breakdown of theory and lab credits)	3 Theory
Catalog Course Description	This will be the culminating experience for you, as an environmental science student. You will work with an academic advisor who will serve as your mentor in overseeing your final student internship with a government agency, environmental organization, or private company. In your fieldwork, you will search for solutions to real problems while working with professionals, acquiring important experience, and making connections with potential employers. You must identify a capstone field mentor who will provide on-site student support and who will periodically and ultimately evaluate your performance.
