Summer/Fall 2021

Final examinations will be given only according to this schedule. Exams may not be given earlier than on the scheduled dates. This schedule applies to all campuses. Normal room assignments apply to each exam period.

NOTE: Class starting times below may vary for a particular class (or campus location). If your class starts, for example, at 0930 on MW, your starting time falls under “0900,” and a starting time of 1230 would fall under “1200.” Exams for classes held only one day per week can be located by finding the 2-3 day sequence on which your class is held; i.e. a Tuesday-only class would be with the “TR” combination at the appropriate time.

SATURDAY/SUNDAY CLASSES Sat/Sun classes will test during the first two hours of the last class period.

DO YOU HAVE A DAY/TIME CONFLICT, OR A QUESTION ABOUT AN “ODD” DAY/TIME? If the time of your scheduled class does not fit into any of the day/times above, check with the Registrar. Any personal conflicts with this schedule must be resolved with your individual instructor.

The days/times for examinations are based on providing each student with a two-hour block for examination in each course, without having two consecutive classes testing back-to-back and without having any two examinations occur on the same day at the same time.

If either the Provost or the President decides that some event warrants invoking an alternate exam schedule, make-up test days will be Fri. Dec. 10, 2021.

All tests will be in regularly assigned classrooms at regularly scheduled times.

Dual Credit Program / For students still in high school

**DUAL CREDIT CLASSES ARE TUITION-FREE**
Dual Credit fulfills the requirement that all high school students take one of the following courses to be eligible to graduate: honors, advanced placement, dual credit, or distance learning.
You may take as many courses as you wish, including summer classes, provided they do not interfere with your high school work. Remedial, developmental and fitness classes may not be taken for dual credit. Dual credit students are not eligible for scholarships or financial aid.

**HOW DUAL CREDIT COURSES ARE OFFERED**
It is highly recommended that high school students take either the ACT, SAT, or ACCUPLACER placement exam. Scores help college advisors place students in courses that align with their career plans and academic preparation. Courses are offered:
- Via distance learning with college and other dual credit students
- At a college campus with college and dual credit students
- At the high school with an instructor certified to offer the course

**HOW TO ENROLL IN A DUAL CREDIT COURSE**
- Apply online. First meet with your high school counselor and complete the dual credit application online, or on paper.

You will be subject to the withholding of registration, re-admission, transcripts, graduation, and special services such as tutoring, ADA assistance, or other services.

REFUNDS
The schedule for deadlines to get a refund of tuition and fees is described in Northern’s Catalog.

1. Refunds are based on the date the notice (form or other written notice) is received, not the date of transmittal to the College. For online drops, the computer records the date and time of activity.
2. No refund is made on regular or late registration fees, or in the case of disciplinary suspension or dismissal.
3. If you are dismissed for falsification of records, eligibility for refund will be entirely at the discretion of the College.
4. In the case of a course cancellation, all associated costs are refundable, including those which are normally non-refundable.
5. In the case of loans, financial aid, or any other source of third-party funding, any refunds are made to the lender or other appropriate financial aid program/entity, not directly to you.
Financial Aid

(For more Financial Aid information, go to www.nnmc.edu, and click on “Financial Aid” on our home page or in the “Students” menu.)

The Financial Aid Office at Northern New Mexico College is committed to helping students navigate and understand the financial aid process and identify financial resources to help make their college education affordable. To apply for any type of aid including grants, scholarships, work-study and student loans, you must file a Free Application for Federal Student Aid (FAFSA).

How to Apply for Financial Aid

FILE YOUR FAFSA:

There are two ways you can file your FAFSA:

1. The FAFSA is available at www.fafsa.ed.gov. Be sure to list Northern on the FAFSA using the Federal Code 005286. Continuing students who have filed a FAFSA in previous academic years should be able to file a renewal FAFSA online.

A renewal FAFSA allows the option to pre-fill most of the information from previous years. You must have your FSA ID available in order to pre-fill your new FAFSA.

2. You may also seek assistance with the financial aid process by contacting the Financial Aid Office at 747-2128 or finaid@nnmc.edu. We will assist you with filing out the FAFSA, between 8 am to 4:30 pm.

CHECK YOUR FINANCIAL AID STATUS

You can check your financial aid status in myNNMC. Login to Banner, then click on the financial aid tab. Required documents can be viewed and downloaded from this portal.

HOW FINANCIAL AID IS PAID TO STUDENTS

If all requirements are met, your financial aid funds will be memoed to your student account prior to the start of the term. The memo can be used to pay for tuition, fees, and other non-institutional charges. Books and supplies can be purchased with memoed financial aid funds one week prior to the start of classes. If there is an excess of financial aid funds remaining after tuition, fees and books have been paid, then the remaining amount will be refunded to you by direct deposit into the bank account that has been authorized for this purpose.

The Refund aid typically occurs five weeks after the start of classes. Single semester loans will be issued in two disbursements, the second being after midterms. Disbursement for grants and scholarships will not be issued for late starting classes until approximately a week after the first date of attendance.

Substance Abuse Policy

Because we are committed to a safe working and learning environment for its faculty, staff, students, Northern has adopted the following policy on substance abuse:

While you are on College property, you are denied the unauthorized use, manufacture, distribution, dispensation, sale, possession, or transfer of controlled substances, including the unauthorized use or possession of, or being under the influence of alcohol or alcoholic beverages.

Violation of this policy may result in such disciplinary action as dismissal and referral for investigation and/or prosecution by the appropriate law enforcement agencies.

Routine drug testing is not normally permitted, except for nursing students and members of athletic teams to meet the requirements of clinical contracts and/or NAIA regulations; however, if there is reasonable suspicion that a specific individual is in violation of this policy, that person may be required to undergo testing as a condition of continued enrollment as a student. This does not preclude the College, at its discretion, from conducting random drug testing programs for students participating in any athletic activities conducted or sponsored by the College.

Campus Security/Clery Act Report

As required by Public Law 101-542 (20 USC 1092), we provide the following summary and report. Northern has the following approved policies:

- Campus policies concerning the security of and access to residence halls and other facilities;
- Policies to encourage prompt reporting of crimes and the authority of campus law enforcement units as well as their relationship to state and local police;
- Types and frequency of programs designed to inform the campus community of security procedures and to encourage personal responsibility for one’s safety;
- Crime prevention programs offered;
- Statistics concerning the occurrence of murder, robberies, sexual assault, burglary, aggravated assaults, and motor vehicle theft;
- Policy for monitoring and recording criminal activity at off-campus sites of recognized student organizations;
- Statistics concerning arrests for violations of liquor, drug, and weapon laws; and
- Campus policies regarding possession, use, and sale of alcoholic beverages, and enforcement of state underage drinking laws and federal and state laws as well as substance abuse educational programs required under the Drug Free Schools and Community Act of 1989.

A copy of the complete policy and the latest Campus Crime Report is available from the Director of Human Resources upon request.

Student Consumer and Safety/Security Information (Clery Report) can be found on the Student Gateway page (in the Students menu) and on the Policies page at www.nnmc.edu.

STUDENT RIGHT-TO-KNOW ACT Federal legislation requires that each college make certain information available to students regarding our graduation rate and our on-campus crime rate. Please contact the Assistant Provost.
Title IX / Anti-Sexual Harrassment & Gender Discrimination Policy www.nnmc.edu/titleix

Northern New Mexico College is committed to providing a learning and working environment free of all forms of harassment and discrimination for everyone in the College community.

Northern New Mexico College does not discriminate on the basic of race, color, religion or creed, national origin or ancestry, sex, gender, gender identity, sexual orientation, pregnancy, spousal affiliation, age, physical or mental disability, medical condition, veteran status, genetic information, citizenship and any other basis protected by law, in employment, admission to, participation in, or receipt of the services and benefits under any of its programs and activities.

Sexual harassment is a violation of Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972 and will not be tolerated at Northern.

Title IX of the Education Amendments of 1972

Title IX is a federal law that protects people from:
- Discrimination based on sex, regardless of gender, identity, or orientation in educational programs or activities receiving federal funding, and;
- Sexual harassment or sexual misconduct, including unwelcome sexual advances, requests for sexual favors, stalking, and intimate partner violence, to name a few examples.

If you believe that you or someone else has been harassed or discriminated against on the basis of sex, you should report the alleged incident to the Title IX Coordinator, who will initiate and oversee a thorough investigation.

NORTHERN’S TITLE IX COORDINATOR:
Don Appiarius, EdD
Assistant Provost for Student Affairs
(505) 747.2255, don.appiarius@nnmc.edu
Montoya Administration Office

Although almost all Northern staff and faculty members are mandatory reporters, and are required to share information related to incidents of sexual misconduct with the Title IX Coordinator, the college counselor, Adam Baca, is a confidential resource and not required to report cases of sexual harassment.

Both Federal and State law prohibits retaliation against anyone who has opposed an unlawful discriminatory practice or has filed a complaint, testified or participated in any proceedings under Federal or State law. Retaliation against an employee or student for filing a sexual harassment or gender discrimination complaint is strictly prohibited and grounds for a subsequent harassment complaint and possible disciplinary action up to and including termination or expulsion.

Go to nnmc.edu/titleix to read Northern’s full Title IX policy, and to learn more about the procedures for filing a sexual harassment or gender discrimination complaint, and the resources available to students at Northern and in the community.
