

Northern New Mexico College

ASNNMC / STUDENT SENATE 2021-2022

PRESIDENT Bruno Ribeiro Guedes

Bruno is a senior, studying for his Bachelor of Business Administration in Management.

"I am an International student from Brazil going for my last year at Northern. I've been involved with Student Life for three years now, as I served as Student Ambassador and Senate's Treasurer.

My experience and my skills make me qualified to lead the Student Senate into big projects that will help students and make their college life easier. I am excited about this opportunity to represent the student body and I can't wait to work with my fellow Senators."

SECRETARY Seeairrah Evans Collins

Seeairrah is a senior, studying for her Bachelor of Business Administration in Management.

"I look forward to bringing nothing but happiness and bright ideas to the team."

VICE-PRESIDENT David Chaloupka

David is a senior, studying for his Bachelor of Business Administration in Management.

"I believe that I bring energy and innovation as well as experience to the NNMC student government body. I have previously served on the Student Senate, and I also have experience with being a

Student Ambassador at NNMC. As a senior student, I understand many different processes here at the college and I can advocate for my fellow students in the best way. Being an international student-athlete, I am bringing lots of diversity to the senate and I hope that I will be able to improve and lead the senate to better future."

TREASURER Chrisalee Patterson

Chrisalee is a senior, studying for her Bachelor of Science in Biology.

"I wanted to become part of the Student Senate to be more aware of what goes on at school. I would like to provide leadership skills and help with opportunities presented at the school. I would like

to use my position to help better our school and help the students and faculty members who are part of the Northern family."

SENTINEL Angelina Ortiz

Angelina is a freshman, studying for her Bachelor of Science in Biology.

"I want to start off with the word ambitious, because we as a team are ambitious. As one of your leaders, I will find a way to come up with solutions, connect with people and see their

perspectives within creative skills to bring a brighter outcome for all."

REPORTER Dolores Sanchez-Gurule

Dolores is a junior, studying for her Bachelor of Engineering in Information Engineering Technology.

"Northern has inspired me to always be the best version of myself and I strive to inspire others to do the same. It is my long-term goal to start my own tech support company and short-term

to finish my degree and minor in Business Administration. I am currently in the process of induction for the National Society of Leadership and Success and was an inducted member of Phi Theta Kappa Honor Society."

SENATOR Kyle Julian

Kyle is a sophomore, studying for his Bachelor of Business Administration in Management.

"I am really interested in learning how to be a better leader and helping the students out. One thing I know I will bring to the table is being a great communicator and a team player, I am not selfish and will go the distance for team members."

SENATOR Ayleen Fierro

Ayleen is a senior, studying for a Bachelor of Engineering in Electromechanical Engineering Technology.

"I am delighted to be part of the student senate. I find it incredibly important to have

an association that looks to provide the best tools and community for students with an approach that can mold their careers in many ways. Since I have received an outstanding amount of guidance throughout my years in college, I'd like to take part in doing that as well for other students in order to inspire a space where we all succeed."

SENATOR Victor Navajas de Faria

Victor is a senior, studying for a Bachelor of Business Administration in Management and FDMA.

"I am an international student from Brazil. This is my second year on the Student Senate, and I am ready to keep working hard representing our students. I am extremely excited about this year, and I can't wait to help the students and staff with the transition for life back in campus. There is so much that we can do, but it all starts now."
