Associate of Applied Science (AAS) Nursing

Northern offers a rigorous, evidence-based five semester associate degree in nursing curriculum. The ADN program is nationally accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, Georgia 30326, 404-975 - 5000, www.acenursing.org

Northern's Associate Degree in Nursing (ADN) Program is a full-time program of nursing studies with a licensed practical nurse (LPN) step-out option. The mission of the ADN program is to provide an affordable, quality, community-based nursing education that prepares registered nurses to provide safe, quality patient centered care to individuals and populations across the lifespan.

The ADN program has only one curriculum for all students accepted into the program. Once a student has completed the required pre-requisite courses and has been formally accepted into the program, the nursing curriculum is delivered over four semesters. Graduates of the ADN program obtain an Associate of Applied Science Degree in Nursing.

ADMISSION REQUIREMENTS FOR THE ADN PROGRAM

1. Graduation from high school or GED
2. GPA of 2.75 or higher in the pre-requisite courses.
3. A minimum total individual score of 67% on the KAPLAN pre-admission examination.
4. A minimum individual score of 73% in reading on the KAPLAN pre-admission examination.
5. A minimum individual score of 55% in science on the KAPLAN pre-admission examination.
6. Submission of a completed nursing application packet by April 30th for fall admission consideration.
7. Completion of the following pre-requisite course work by the end of the spring semester prior to anticipate entry into the ADN program with a grade of "C-" or better:
 - CHEM 1110/L (4) or any other BIOL (4)
 - BIOL 2210/L (4)
 - PSYC 1110 (3)
 - ENGL 1110 (3)

***We strongly encourage the completion of BIOL 2225/L Human Anatomy & Physiology II (4) with Lab prior to admission to the program.**

***Kaplan Nursing Entrance Exam scores are good for 2 years.**

- Anatomy and Physiology Courses must be completed within five (5) years prior to entry into the ADN program.
- All nursing students are expected to have basic computer skills including word processing and internet access.
- All nursing students must have and maintain current American Heart Association Basic Life Support (CPR) certification, health insurance, and current immunizations prior to participating in clinical nursing courses.
- Requirements for KAPLAN admission test scores, both total and content-specific, are subject to change.
- Formal application and acceptance into the nursing program is required before students may

enroll in any NURS-prefixed courses listed in the program requirements. Support courses may be taken before entry into the program.
