Title of the job position: Santa Fe National Forest Outdoor Recreation Management – Crew Leader

Employer: Southwest Conservation Corps

Description of the job position: The Santa Fe Outdoor Recreation Management Crew is a smaller crew, consisting of 1 Leader and 2 Members, the idea behind it being they will be a more mobile crew that can move around the forest easier to respond to unique projects. Crews will work at developed recreation sites, including campgrounds, day use areas, picnic areas, trailheads, and dispersed recreation areas across the Santa Fe National Forest. Crews will perform light to moderate construction including signs, kiosks, deck repair work, roofing, etc. Crews will assist in the implementation of recreation operation and maintenance tasks at developed and dispersed recreation sites and complete trail projects on non-motorized trails.

Crews work primarily in front country locations in all weather conditions. Standard schedule consists of 8 days on and 6 days off. On-hitch, crews camp together, prepare all meals together, and work together as a group to complete all projects and chores.

Pay Amount: $780 / week

Key applicant qualifications or requirements:
Willingness to commit fully to the program and its mission
Full vaccination against COVID-19 by the first day of employment and ability to provide proof of vaccination before starting
Must hold current BFA/CPR certificate by the start date
Ability to effectively manage all aspects of crew life and production within a 40-50-hour work week
Flexibility, adaptability, and capacity to work in a fluid, changing work environment
Willingness to learn and be a part of a dynamic community of peer leaders
Must be adaptive, patient, and able to maintain a positive perspective throughout
Able to work long days in adverse conditions
Must be able to speak, understand and write English
High School diploma or GED certificate
Must be 21 years old
Exhibits the ability to effectively work on diverse teams or with a variety of populations, including those underrepresented at our organization and those of BIPOC communities
