

# Cornerstone Scholarship Application

## 2022-2023

Current and newly admitted students studying in the Technical Trades Plumbing or Electrical programs may apply for the 2022-2023 Cornerstone Scholarship.

Applications will be reviewed by a committee. Incomplete applications will not be reviewed. Application Deadline is July 15, 2022. Completed applications and required documents should be emailed to david.sandoval@nmmc.edu.

Students selected for the Cornerstone Scholarship will receive an award of \$2,000 for the 2022-2023 academic year. These funds will be applied equally in the amounts of \$1,000 for the fall and \$1,000 for the spring semesters, upon verification of students' course registration for each term. Award recipients will be notified the week of July 25, 2022 via the student's NMMC email.

Students must meet the following eligibility requirements:

1. Enrolled in the Technical Trades Plumbing or Electrical programs for the fall 2022 semester
2. Is in good academic standing and not currently on academic probation
3. Is in good standing with the NMMC Business Office

Program  Plumbing  Electrical

All applicants must submit a personal statement of 350 word addressing the following:

- Tell us why you entered your chosen trade program and what is keeping you motivated to finish your program?
- What do you want to achieve after graduating from your chosen program?
- Describe what barriers or obstacles you feel may prevent you from completing your chosen program.

Applicants who are current students in the either the Plumbing or Electrical programs, and attended classes in fall 2022 and/or spring 2023, must also submit a recommendation from an instructor.

By signing the application, I attest that I meet all the above eligibility requirements and all required application material is enclosed.
