- Photo ID: To be admitted to your testing session, you will need to present government-issued photo identification, such as a driver's license, passport, or green card.
- You will not be admitted to the test if you do not have your ID or if your ID does not meet the following requirements:
  - Government-issued
  - Current photograph
  - Examinee signature
  - Permanent address
- Please note: a credit card photo, temporary license, or student ID does not meet these criteria.
- Please bring your ATI log-in information. You will need to create a student account at [www.atitesting.com](http://www.atitesting.com) prior to test day and have your log-in information with you.

## TEAS Testing Preparation Schedule:

### Introduction:

Welcome to your TEAS testing preparation schedule! This schedule is only a suggestion. It is designed to help you excel in the TEAS exam.

### Week 1: Familiarization and Assessment

- Select a TEAS testing date and register
- Create an account with [ATI](#)
- Research the TEAS exam format and content.
- Take a TEAS practice test to identify your strengths and weaknesses. Free TEAS practice tests are available through the NNMC Ben Lujan Library.
- Remediate your practice tests and gather study materials and resources.

### Week 2: Content Review

- Dedicate specific days to review each subject: Reading, Math, Science, and English.
- Use TEAS study guides and textbooks to reinforce concepts.
- Take practice quizzes for each subject to gauge your progress.

### Week 3: Final Review and Strategy

- Review high-priority topics and challenging questions.
- Develop test-taking strategies for time management.
- Take a full-length practice test to simulate the actual exam.

### Exam Day:

- Ensure you have all required materials (ID, admission ticket, etc.).
- Get a good night's sleep before the exam.
- Stay calm, focused, and confident during the test.
